Press Release

ICV Endorses Dr. Brian Babin for Texas Congressional District #36

FOR IMMEDIATE RELEASE

14 Oct. 2014:

The Independent Conservative Voters of Texas announces its endorsement of Dr. Brian Babin for election to the US Congress from Texas in District #36, which is located in southeast Texas and includes all of Newton, Jasper, Tyler, Polk, Orange, Hardin, Liberty, and Chambers counties, plus portions of southeastern Harris County.

Dr. Babin is the Republican candidate who will replace Steve Stockman, who will not be returning to Washington next year.

It is the policy of Independent Conservative Voters to endorse candidates without regard to their party affiliation, and to encourage voters to vote the same way, studying the candidates, their voting histories, their positions, and voting for the best candidate in each race. If you don't know, then don't vote. Low-information voters are the cause of much political grief.
